

**2009-2010
WHRO Classroom Preview**

Series Title: Career Watch
Curriculum Area: Careers
Grades: 6-12
of Programs/Length: 10/28 minute programs

“The show that asks not where your career will take you, but where will you take your career?”

Career Watch turns the spotlight on high demand, hard to fill, jobs. Each episode features interviews with industry leaders, experts working in the field, on-site experiences and educational resources. The goal of each episode is to expand the thinking of the viewers and to give them some career options that they may not have thought of before.

Career Watch targets young adults making first time career decisions. Program topics are listed below; each will enlighten and inspire the viewer to make the most out of his or her life and livelihood.

- 1.) Aviation
- 2.) Hospitality
- 3.) Manufacturing
- 4.) Port Everglades
- 5.) Marine Industry (*PREVIEW PROGRAM*)
- 6.) Engineering
- 7.) Bioscience
- 8.) Construction
