

**2009-2010
WHRO Classroom Preview**

Series Title: My Life On The Farm
Curriculum Area: Social Studies, Science
Grades: K-4
of Programs/Length: 13/13 minute programs

Fascinating, friendly, up-close & personal this series features some very unusual and extraordinary daily life of children from locations across the continents. Each destination, each unique natural environment and each special lifestyle becomes a portal for understanding new cultures through familiar themes of children, animals, families, and farms.
